MONDAY 30<sup>TH</sup> NOVEMBER 2015

### Begins

#### T H WHITE COMPLETE PURCHASE OF NEW SITE IN HAMPSHIRE

We are pleased to announce that today we have completed the purchase of a 3.6 acre site at Windyridge, two miles west of Stockbridge in Hampshire. The new site will be a combined T H WHITE Agriculture & Groundcare branch hosting Case IH and Ransomes Jacobsen as primary franchise partners.

Offering sales, service and parts for machinery and implements, this new location better serves our sales territory to the south & east for both divisions whilst maintaining good road links to our existing Case customers served from Frome. It has excellent workshop and office space along with generous visitor parking.

Our Timsbury staff will be relocating to the new premises and we will be recruiting for various agricultural roles in the near future. We will open the doors to Agriculture and Groundcare customers on Monday 4th January after completion of minor renovation work.

The **previous** site owner AEP **Modular** Construction **Ltd.** , will continue to be located on the property as a tenant leasing space from T H WHITE Holdings Ltd.

This is a very exciting new venture and we wish **success to** everyone involved.
