

T H WHITE HOLDINGS PURCHASES HEREFORD PREMISES

When the Hereford agricultural business J G Plant became part of the T H WHITE Group in late 2018, a pledge was made to invest in the business and to develop it, to build greater support for farmers in Herefordshire. The people who joined T H WHITE from J G Plant have shown real commitment, helping to deliver service, growth and revenue, resulting in our announcement today that T H WHITE has completed the purchase of the former J G Plant site in Tillington Road, north-west Hereford.

Over the last three years the business has integrated well into the T H WHITE operation and improvements have been made to the dealership buildings, including upgrading the lighting, fire alarm and CCTV systems, as well as redecorations.

Purchase of the site from the former landlord represents the next stage in fulfilling our pledge and will enable the site to be further developed and enhanced, better to serve the evolving needs of our customers, suppliers and the agricultural community in Hereford and surrounding counties.

T H WHITE is at Beech Business Park, Tillington Road, Hereford, and is a main dealer for New Holland, Manitou, Kverneland and other leading agricultural brands. A wide range of parts and accessories is also stocked – call in to discover our latest deals, Mon-Fri 8am-5pm, Saturday 8am-12 noon.
